### BEN DE LISI FASHION SHOW

When not creating startling interiors, Ben can be found focusing his mastery fashion.

To give you a glimpse of his handywork, he's offered two tickets to his London fashion show in 2007/2008 - and a chance to meet the man himself backstage afterwards.

We'll also throw in an overnight stay for good measure!

### MICHAEL PARKINSON EXPERIENCE

Parkey's become a household name – but few households get a chance to send their family members for an evening with the man and his legendary team as they prepares to record a show.

The evening will include some hospitality in the notorious Green Room before joining the audience as the cameras roll, and then catching up with Parkey personally!

## TRIP TO ASTON MARTIN

This is a great trip for 2! You will have a chance to experience the story behind the power, beauty and soul of Aston Martin; which lies waiting at the manufacturer's Newport Pagnell headquarter. As your host for the day, an Aston Martin representative will take you on a tour of the factory and entertain you in the legendary Robinson restaurant. A chauffeur will collect you from your home and deliver you back at the end of what promises to be a truly memorable day.
